

## Assignment 6

CIS 492: Hack Lab

Esha Attiq

2774494

(**NOTE:** I emailed both professors that the sign up for Ngrok was not loading, but I finally got it to load and signed up. An issue that occurred is that the Facebook page was reloaded and I got the error that was shown in the instructions. I have provided screenshots & proof below that it had worked and found credentials in the Kali machine. Thank you.)

1) Zphisher started at step 5

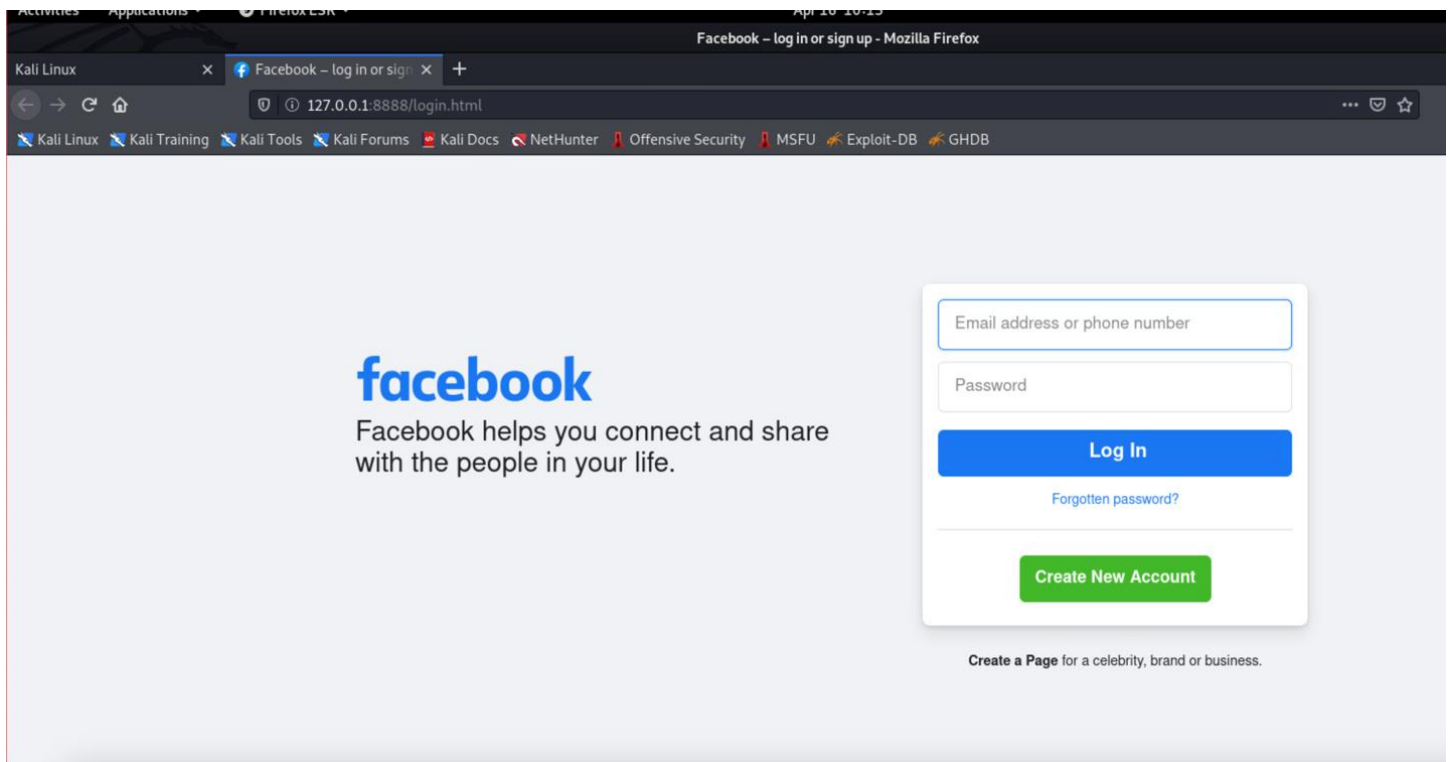

```
